North Raleigh Charter Academy

When the North Raleigh Charter Academy (NRCA) application was submitted, the Triangle Charter Education Association (TCEA) was comprised of six members. Skills and expertise of the board include capital operations and marketing, educational leadership, consulting and development, PTA leadership, engineering, and charter school development/public relations. This board currently operates Cardinal Charter Academy in Cary, NC, and the school has earned a B in each of the prior three years.

TCEA has relinquished two charters in recent years due to zoning/facility issues. In 2015, TCEA was approved to open Cardinal Charter Academy in Knightdale with an anticipated 2016 open. In 2016, TCEA requested a one-year delay in order to identify a suitable facility. TCEA requested a second delay in late 2017/early 2018, due to zoning challenges. The board relinquished the charter for Cardinal Charter Academy Knightdale in 2018. In 2017, the board received approval for Cardinal Charter Academy West, a fast-track replication slated to open in the fall of 2018. That charter was also relinquished in 2018, due to zoning challenges.

Robert J. Brown Leadership Academy

At the time of application submission, The Children's Legacy (TCL) was comprised of seven members. The proposed school, Robert J. Brown Leadership Academy (RJBLA), is named after civil rights activist Robert J. Brown. Skills and expertise of the board include civil rights activism, workforce development, youth education, school administration, STEAM (Science, Technology, Engineering, Arts, Math), systems engineering, and career and technical education (CTE). At least two board members have experience serving on charter school boards, one was a founding board member of KIPP DC Public Charter School, and another served on the board of DC PAVE Charter School.

Capacity Figures

Capacity information was requested from Perquimans County Schools, however, the district was only able to provide the square footage for each building. This did not meet the SBE's information request; therefore, capacity figures are not included for this particular county.

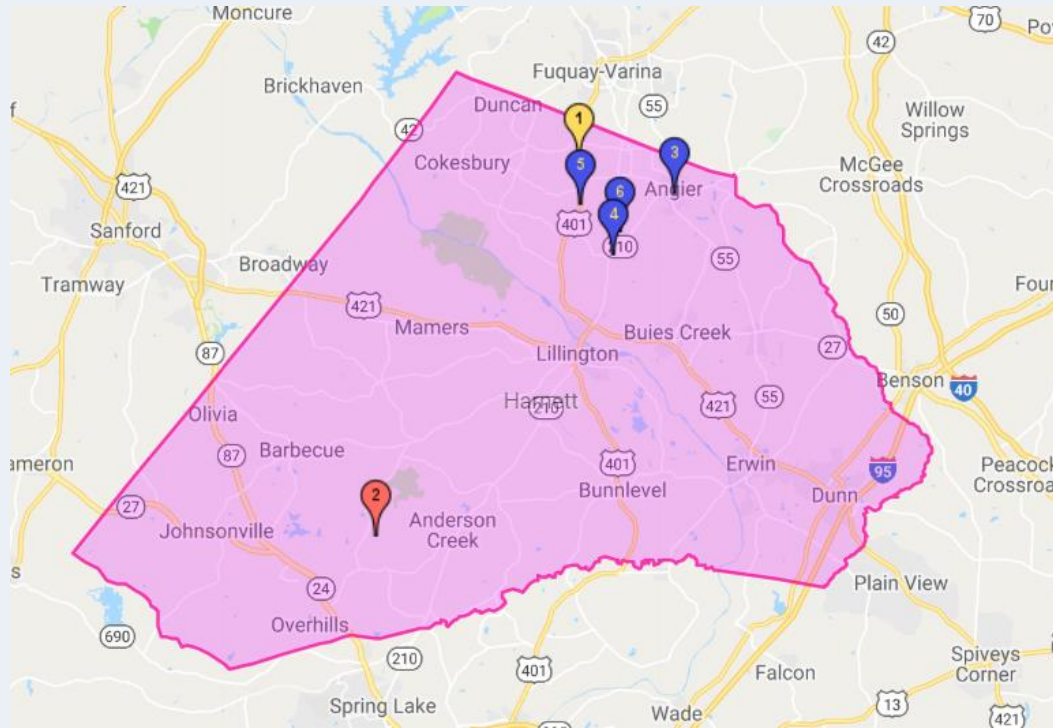

Achievement Charter Academy

When the Achievement Charter Academy application was submitted, the board of directors had eight members. Skills and expertise of the board include real estate, education administration, teaching, finance, environmental health, technology, and Glasser Quality Schools training. One board member currently serves on the board of Peak Charter School, which opened in 2017 in Apex, NC.

Wendell Falls Charter Academy

When the Wendell Falls Charter Academy (WFCA) application was submitted, the Triangle Charter Education Association (TCEA) was comprised of six members. Skills and expertise of the board include capital operations and marketing, educational leadership, consulting and development, PTA leadership, engineering, and charter school development/public relations. This board currently operates Cardinal Charter Academy in Cary, NC, and the school has earned a B in each of the prior three years.

TCEA has relinquished two charters in recent years due to zoning/facility issues. In 2015, TCEA was approved to open Cardinal Charter Academy in Knightdale with an anticipated 2016 open. In 2016, TCEA requested a one-year delay in order to identify a suitable facility. TCEA requested a second delay in late 2017/early 2018, due to zoning challenges. The board relinquished the charter for Cardinal Charter Academy Knightdale in 2018. In 2017, the board received approval for Cardinal Charter Academy West, a fast-track replication slated to open in the fall of 2018. That charter was also relinquished in 2018, due to zoning challenges.

Alamance Community School

When the Alamance Community School application was submitted, the governing board was comprised of five members. Skills and expertise of the board include higher education, K-12 education administration, marketing, finance, and community development/activism. Two board members also served on the board of Voyager Academy of Durham, and one of those individuals is currently the elementary principal at Voyager. For the past three years, Voyager has earned a school performance grade of B.
